

Moving Up in a Down Market

Afraid to move up in this market? Learn the math behind buying a home at a great price and with a great interest rate! Take advantage of the opportunities to enhance your current financial stability in today's low mortgage interest rate environment by joining us for our upcoming seminar and Q&A forum.

Topics include:

- Eye-opening financial benefits of buying a home *now* versus waiting for economic recovery
- Pricing and preparing your home to sell in this market
- How a loss on your sale may be recouped with a good buy
- Cost effective services to rent and manage your home if it doesn't sell

Tuesday, March 31 at 6:30 p.m.
