PASSION FOR FAMILIES & THE INDUSTRY

Encouraged by her friend and mentor, Brooke joined the mortgage industry in 2010. She served as her friend's assistant before becoming a loan officer. Backed by her years of experience in real estate, Brooke offers valuable insight into the entire home buying process. She offers honest guidance, attentive service, and a variety of loan options to meet her customers' short- and long-term goals. Plus, Brooke is there for her clients at each step of the process and long after the loan closes. Every day, she feels honored to help people become homeowners.
