RE: 4506 Update

4506 Update

Effective Immediately:

The IRS has created a new form that must be completed to verify tax returns. Beginning February 15, 2021 all loans presented to CHL for purchase consideration must include the 4506 C form. The IRS will no longer accept the 4606 T from third parties, it is solely for the tax payers use.

We Sincerely apologize for any inconveniences this may cause
